subjects. About the syllabus

A Level Business - dineshbakshi.com

A good grade in Business at A level can enable you to go on study at any university or go into the world of work. In particular it helps students to: develop a critical understanding of organisations, the markets they serve and the process of adding value; be aware that business behaviour can be studied from the perspectives of a range of stakeholders; acquire a range of skills including decision-making and problem-solving; be aware of the current structure of business and business practice.
