Medieval people were also interested in dreams, and they attempted to figure out what they meant.

Often a dream would be interpret as a sign of future events, or a divine warning that someone needed to change their ways. One fascinating example of a medieval dream comes from the writings of Arnold Fitz Thedmar (1201-1275),

The essential question that requires some kind of an answer is: why is America dreaming of the Middle Ages? Thus, this study will offer two Hollywood productions, *A Knight's Tale* and *Timeline*, as visual representations that illustrate the reasons behind what may be called American Neomedievalism.
