The SME 20/3 was quiet and had well-controlled and well extended bass and thus was rhythmically assured. Up from there, the SME 20/3 was smooth and relatively uncolored through the midrange and up, though the mids were slightly pressed forward producing a bit of a "milky" sound relative to the best performing 'tables, mostly priced higher.

Creating covers and inlays has always been a strong point of Burning Studio. In version 20, we've completely redesigned and reworked this module! The new intuitive start menu sets you off in the right direction and has you select your favorite images right away. After that, it's step-by-step to the finished cover.
